**Editor:** I have the honor and challenge of presenting Dr. Brenner, our new IFSR President to all of you. It is a challenge only because his list of outstanding achievement is far too long to even begin to cover in the scope of this Newsletter. We will attach his VITA for all of you who would like to digest what this man has accomplished in a long and incredibly distinguished life.

Herewith just a small portion of his life which truly gives meaning to "Service Above Self." 1964 Pennsylvania State University, Ph.D, Zoology (Ecology). Certified as a Senior Ecologist, Wildlife Biologist, Wetland Scientist, and Environmental Inspector. 1969 – Present, Full Professor of Biology, Grove City College; President and Chief Scientist, Brenner's Ecological Service; President and CEO Urban Wetland Institute; Member of 25 Professional Societies, including American Association for the Advancement of Science and American Institute of Biological Science. He holds many honors including to name just a few: Who's Who Among American's Teachers, Who's Who in the World, Who's Who in Education, Who's Who in Religion, Outstanding Educators in America, Silver Beaver, St. George Award, National Episcopal Church, Life Time Achievement Award, Fellow American Association for the Advancement of Science, James E West Fellow, and Paul Harris Fellow (+9).

Dr. Brenner is Past President of French Creek Council, BSA; Past President National Association Academies of Science; Past District Governor for Rotary District 7280; and Chairman for the American Association for the Advancement of Science. He is the author of over 200 professional publications and the Editor of 14 technical books. He is a private consultant on water quality, wetlands, reclamation of devastated lands for individuals, engineering and legal firms and government agencies.

Just some of Dr. Brenner's service and accomplishment In Scouting not already mentioned above are: Eagle Scout and Vigil honor member of the Order of The Arrow and a Woodbadge course director. He has served on two National Jamboree Staffs, many council positions including Council President. He also currently serves at the Executive level on his Council and at the Northeast Region, and at local and district level positions with Rotary. And finally now we can introduce Dr. Frederic J. Brenner, Ph.D as the new President of IFSR. Welcome Dr. Brenner.

### IFSR Member Teaches Life Saving, Then: New Providence Teen Rescues Drowning Father

Brian Urness, 15 year old Boy Scout of Troop 1 in New Providence, was awarded the Honor Medal from the Boy Scouts of America for rescuing his father, Mark Urness, after he nearly drowned while vacationing in Michigan this past August. Brian pulled his father to safety from the bottom of Lake Michigan – some 10-feet down – and swam him back to shore.

"I've never been in a situation like this," said Brian, who swam for years with the Summit Seals and is now a member of the Crestview swim team. "I just reacted. I didn't have time to think. I thought, 'OK, Boy Scouts — just how they taught me,' and mentally stayed strong."

Perhaps, there are no coincidences. Just three days before embarking on vacation, Brian had completed the Life Saving merit badge. His entire family credits his Boy Scout training in water life-saving techniques for saving his father's life. "It's a wonderful story of a series of circumstances where a young man knew exactly what to do and he did it," said **Hal Daume**, of Berkeley Heights. Mr. Daume **served as Brian's Life Saving merit badge counselor** and went on to say, "This is what it's all about: Go back to the Boy Scout motto – he was prepared."

The Honor Medal is awarded when someone has demonstrated unusual heroism and skill in saving or attempting to save a life at considerable risk to self. On the average about 30 of these awards are given annually across the country. Brian was awarded the Honor Medal from the Boy Scouts of America. The Honor Medal is awarded when someone has demonstrated unusual heroism and skill in saving or attempting to save a life at considerable risk to self. On the average about 30 of these awards are given annually across the country. Scouting and Rotary worldwide salute you Brian!

**Editor's note: this young man's performance is refreshing and reminds us why we in Rotary are so passionate about promoting, supporting, and participating in Scouting and Way To Go Hal!**

## Can You Top This? Rotarians Honoring Scouts

I'm happy to report that, in Rotary District 7510 (New Jersey counties of Hunterdon, Mercer, Middlesex, Somerset, and Union), since July 2008 we have presented over 350 IFSR Certificates of Achievement to Eagle Scouts and Girl Scout Gold Awards, and we expect to top 360 by June this year. Over two dozen of our clubs and nearly 60 Rotarians have been directly involved in this initiative. (For any Rotary District Representative interested in starting up this initiative, I'd be happy to provide the details of how we've made this a successful part of our "new generations" avenue.

**Editors Note: This is more terrific work by Hal Daume showing just some of what we can actually do as Rotary to support and promote Scouting and the relationship between our organizations. Where could we find better future members of Rotary than these Scouts?! I have included Hal's "how to" do this so many of you out there that want to can simply follow the template he has set up, proven, and now is sharing with us.**

Hal says: I started in the spring and summer of 2008 by meeting with key high-level people at the two BSA councils that our district overlaps: Central New Jersey Council and Patriots' Path Council. Once I explained what we were planning to do, I created a "Certificate Presentation Request" form that each council printed up and made available at their service centers, and asked that these be promoted at monthly "roundtable" meetings of troop leaders. I did the same with the Girl Scout councils. Next, I promoted the program at Rotary district events and also visited some three dozen Rotary Clubs, making brief presentations of the program, explaining that their own Rotarians--not me--would be making the presentations, and that this program would be funded completely by the district--it would cost the clubs nothing to participate except for "manpower" to go out and visit Eagle Scout courts of honor and Girl Scout Gold Award events.

Then, I bought several hundred IFSR Eagle and Gold Award certificates and a batch of certificate folders, and wrote "scripts" for the presenters (attached), plus mailing envelopes (the four District Governors in office since July 2008 have very kindly provided annual budget line items to cover the ongoing materiel costs). I also wrote a "release" that appeared in the July 2008 "TEAM Rotary" district newsletter, to alert clubs and Rotarians about this new initiative (attached).

The request form (I've attached the one for Eagle) is filled out by the BSA or GSUSA troop and sent to me. On receipt, I contact the Rotary Club closest to the town in which the troop is located and alert them to the upcoming event, requesting that they identify one of their members who will make the presentation (importantly, I rarely make presentations myself--a secondary goal of this program is club-to-community outreach). Once identified, the presenting Rotarian will receive a packet from me via mail. The packet will contain information on date, location, and contact; the certificate in presentation folder (to be signed by the presenting Rotarian), and the script (which can be used as written or as a "springboard" for extemporaneous remarks). I ask the presenters to try to obtain a photo of the presentation, which is subsequently emailed to me for file and for further program promotion.

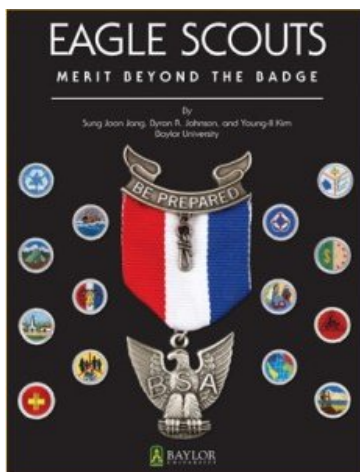

The count has just exceeded 360, and some four dozen Rotarians have made these presentations, representing over two dozen of the 42 clubs in our district. We've made presentations in all five of the New Jersey counties our district covers. I sometimes receive feedback from presenters, one of which--from Victoria DeGuzman--I've attached.

In some cases, we may not have a presenter, or the troop making the request is in a county outside our district's boundaries. Instead of turning down a request like this, I'll mail a certificate and enclose a letter to the new Eagle scout (attached). This, I believe, keeps the spirit of this program intact.

The only thing the district doesn't pay for is postage; it's simply too much of a nuisance to try to keep receipts for this, so I've simply absorbed this expense personally. (Small price to pay for so many happy Rotarians...and Scouts!) (For estimating purposes, the cost-per packet including postage is under \$5.00-- A bargain, IMHO!)

Waco, Texas (April 10, 2012)- One hundred years after Arthur Eldred of New York earned the first Eagle Scout Award from the Boy Scouts of America, researchers with Baylor University's [Institute for Studies of Religion](http://www.baylorisr.org) (ISR) and [Program on Prosocial Behavior](http://www.baylorisr.org) have released findings from a nationwide, scientific survey that demonstrates the significant, positive impact Eagle Scouts have on society - from holding leadership positions in their workplace and neighborhood to voting and volunteering to protecting the environment and being prepared for emergencies.

"There is no shortage of examples or anecdotal accounts that suggest Scouting produces better citizens, but now there is scientific evidence to confirm the prosocial benefits of Scouting or earning the rank of Eagle Scout," said the study's principal investigator, Byron R. Johnson, Ph.D., Distinguished Professor of the Social Sciences, director of the Program on Prosocial Behavior and ISR co-director. "The central question of this study was to determine if achieving the rank of Eagle Scout is associated with prosocial behavior and development of character that carries over into young adulthood and beyond."

With funding from a major two-year [research grant from the John Templeton Foundation](http://www.john-templeton-foundation.org), Baylor researchers with ISR's Program on Prosocial Behavior partnered with the Gallup Organization to conduct a nationwide random survey of 2,512 adult males. The full study - "Merit Beyond the Badge" - can be downloaded at [www.baylorisr.org](http://www.baylorisr.org).

## The Global BSA Newsletter (April 2012)

**Editor: This Global BSA Newsletter is informative and also lists some wonderful opportunities for service and adventure to Scouts and Scouters worldwide. Here is just a couple of the articles in their April 2012 Newsletter:**

### [Greetings from Colombia.](#)

Every opportunity is good for knowing new places, making new friends and sharing unforgettable experiences. We invite you to visit the wonderful Colombian land and to enjoy the warmth of its people, to make a lot of friends and live the best adventure in the **JAMCAM**. This will be held from 4th to 13th January 2013 in Bogota, Colombia. It will be a pleasure for us to enjoy your company in these important interamerican events, where we will stretch our hands and strengthen our bonds of friendship.

Everyone in our association is preparing an event that, without any doubt, will be unforgettable.

**¡Welcome to Colombia!** You will be 2,600 meters closer to the stars...

*Fellow Scouters,*

*In 1920, just two years after the most terrible war the world had ever known, 8,000 Scouts from 34 countries came together for the first world jamboree. At the closing ceremony, Scouting founder Robert Baden-Powell called on participants to carry the spirit of the jamboree home "so that we may help to develop peace and happiness in the world and goodwill among all Scouts."*

*The Scouts of the world have been answering that call for more than 90 years.*

*Today, Scouts in dozens of countries are working for peace by solving conflicts in their schools, building links between divided communities, teaching their peers about health and wellness, and repairing environmental damage. To recognize their efforts – and to inspire more young men and women to help Scouting create a better world – the World Scout Committee has launched the Messengers of Peace initiative (MOP). The Boy Scouts of America is proud to join this effort in 2012.*

*How can BSA units participate? All they have to do is go online and register the MOP-related community service projects (including Eagle Scout projects) they undertake. Doing so adds pins to a global Messengers of Peace map, which Scouts from around the world can click on to learn how their fellow Scouts are making a difference.*

*Scouts who complete MOP projects will be eligible for a special recognition: a ring patch that goes around the World Crest. That patch will symbolize their participation in an ever-widening circle of Scouts who are not just visualizing world peace but are helping to make it a reality.*

*The Scouts of the world have always been a powerful force for good. This initiative lets us celebrate what our Scouts have already accomplished and inspire them to accomplish even more. Please join us as we work together to create a better world.*

Dear International Scouters, you can subscribe to the Global BSA Newsletter that Mr. Phu Tran, our International Executive at Irving, Texas, distributes from time to time by contacting us at the location below.

## The Fellowship Advancer

\*\*\*Note—"The Fellowship Advancer" is an attachment to this newsletter

To: All 2011-12 District Rotary Fellowships Chairs and Rotary Fellowships Officers

CC: 2011-12 Rotary Fellowships Committee

Dear Rotarian:

Greetings from Evanston! I am pleased to send you the latest issue of the Rotary Fellowships Committee's newsletter, *The Fellowship Advancer*. This newsletter will be available in English only.

I encourage you to share *The Fellowship Advancer* with your District Governor, and to ask your club or district Web master to post it on your club or district website. Not only is it a highly informative document for fellowship members to stay up-to-date about the activities of their own fellowship, but it's also a great way to encourage other Rotarians to get involved.

Kind regards,

Beth

## A Call to Share

To all IFSR members, A CALL TO SHARE. We are always looking for stories describing how Rotary and Scouting work together to positively impact the lives of youth. Please continue to send us your examples. Please share your stories by sending them to our IFSR Newsletter editor, Steve Kesler, at [keslergroup@gmail.com](mailto:keslergroup@gmail.com).

**Editor: we received this report from our friend, Mario Cavallaro, the Secretary of the Giarre Riviera Jonico Etnea's Rotary Club International (District 2110 Sicilia-Malta).**

## Youthful Associationism and Training Processes

in the photograph from left to right - Marinella Tomarchio (*Professor in General Pedagogy at the University of Catania*) – Anna Arena (*Giarre's R.I. Club President*) - Mario Cateno Cavallaro (*Giarre's R.I. club Secretary and IFSR associate*).

On May 11, 2012, in Riposto at the Grand Hotel Yachting Palace's Hall, the Giarre Riviera Jonico Etnea's Rotary Club International held the conference on the Topic: "Youthful Associationism and training processes". Giarre's R.I. Club President, the attorney Anna Arena, opened the event with official greetings and ceremonial formalities. The club's prefect, Doct. Pietro Vinci; Marinella Tomarchio, Professor in General Pedagogy at the University of Catania and Doct. and Mario Cateno Cavallaro, and Giarre's R.I. club Secretary and IFSR associate held the Conference.

Professor Tomarchio illustrated the importance of Youthful Associations to create the proper civil consciousness in young people about an active citizenship and a heightened awareness of their own role in the society of the future. Doct. Mario Cavallaro illustrated the Scouting's principles whose purpose is to give the training to become "men and women of tomorrow", as were outlined more than one hundred years ago by the founder of the World Movement, Sir Robert Baden Powell.

## Minutes of Annual Meeting 9 May 2012

Thanks to Joe Grabill for putting these notes together and Brian for polishing them up a bit. The election was of the IFSR (not InterAmerican) positions listed in the March Scouting Rotarian, and updated and corrected in this Newsletter.

Thanks again to Harold for the magnificent Nominating Committee job he did, and has done for years.

Congratulations Fred and Gang ... you were elected and take over effective 1 July!

### Minutes of the Meeting

1. Invocation was done by President Brian D. Thiessen

2 Self Introductions proceeded for all those in attendance which included among others those who signed in Bud and Jeanne Allison (Texas - Past IFSR President), Steven I. Aloga, (Nigeria), Maged B. M. Badawy (Egypt), David Barton (Australia - Chair of Asia Pacific Region), Patrick Biluk (Canada), Holger Dybdahl (Denmark), Joe Grabill (USA), David and Christine Judge (England - Past IFSR President), Marcos Ricardo Klitzke (Brazil), Zdenek & Jarmila Michalek (Czech Republic), Ray and Carol Paler (USA), Ranjan Rajavasan (Sri Lanka), Katherine Shields (Australia), Rachaneewan Sirinawin (Thailand), John Sokol (USA), Carolyn and Brian Thiessen (California - President IFSR), Harmonie Wong (Canada), Prof Yongyudh Vajaredel (Thailand).

3. Danish Jamboree 21-29 July - Holstebro. We will have an IFSR booth at the upcoming Denmark Jamboree - interested folks who can help were invited to contact President Brian and/or Holger Dybdahl.

4. Minutes of last meeting were discussed as shown in Scouting Rotarian/Web site and Treasurer's Report related to present solvency and business activities

5. It was announced that there are 650+ Cliff Dochterman award recipients - 1100+ active members of IFSR and 50+ nations now actively represented.

6. Silver Wheel presented to Zdenek Michalek. IFSR presented IFSR's highest award for service to IFSR - the Silver Wheel - to Zdenek Michalek of the Czech Republic. Zdenek was a Scouter when Scouting was illegal in his homeland - he taught Scouting skills and character development when it was punishable by prison time. After the fall of the Iron Curtain Zdenek was instrumental in redeveloping Scouting in that area and then raising funds and building a \$1 Million+ Scout Center - dedicated to Czech and International Scouts - in the Czech Republic and used also by the community.

7. Other Business items discussed:

\* Staffing IFSR booths. Members are encouraged to staff future Exhibit areas including Intl. and World Jamborees as well as Rotary Zone meetings. Lists of upcoming areas are listed in Scouting Rotarian.

\* Membership Roster. There was lively discussion regarding availability of the membership roster on the website, and suggestions included password protecting the database, offering online specific queries only, as well as a member's ability to "opt out" of a directory. The present policy is intended to offer maximum member privacy, and queries may be made directly of any officer or the Executive Secretary directly. It was suggested that this continue to be discussed with the incoming IFSR administration and leadership in an effort to be as responsive as possible to the IFSR general membership.

\* Newsletter and Web Site. Members were encouraged to submit Photos of youth in action together with Rotarians - along with brief narratives article for publication in the Scouting Rotarian and the web site.

\* WOSM Memorandum of Understanding. There was an extensive discussion of the present and past positions of the World Organization of Scouting Movements vis-a-vis IFSR. After strong lobbying, WOSM has agreed to enter into a Consultative Memorandum of Understanding which shall automatically renew in the absence of any action taken to dissolve it - IFSR will be invited to participate in World Scout Conferences, Regional Scout Conferences, etc. and WOSM to participate with IFSR at IFSR events at Rotary International Conferences, Zone Institutes, etc. Final wording is in the hands of the attorneys. [Ed. note: *May God help us all!*]

\* It was estimated that 35 new members were added to the rolls at this Convention and that 5 countries are either new to IFSR or have their first active members now. It was suggested to the assembled membership that recruiting is everyone's job and that District Conferences, PETS, and Zone Institutes are ideal recruiting ground.

\* A suggestion was made to increase Scout/Guide participation in RI Conventions - in flag ceremonies and in the IFSR booth. While it appears unanimously popular with our membership, it appears that RI Board members and the RI staff in particular, do not yet endorse this view as a whole - although it varies from RI President to President depending on their Scouting/Guiding history.;

Further discussion focused on opportunities for Scouts/Guides to work hand in hand as volunteers together with Rotaractors and Interactors. A member from the Sri Lankan contingent noted that some Governors appear to suffer from an allergic reaction to Scouting, and after hearty laughter, the consensus seemed to be that only continued strong exposure can cure them of this malady - i.e. education to show them that we are not in competition but complementary to New Generations Avenue of Service.

8. Election of 2012-13 officers of IFSR. Joe Grabill made a motion to approve the slate of Officers for the new year as recommended by IFSR's Nominating Committee. The Motion was seconded by R. Subrmanian. The voice vote was unanimous for approval and election.

David Judge made the Motion to Adjourn, and the membership affirmed it by voice.

Respectfully Submitted

### Wayne Brock Named New Scout Chief Executive

For those of you who are not yet aware, The BSA National President has announced that "following an extensive selection process, the Boy Scouts of America has named Wayne Brock its next Chief Scout Executive". Wayne has been a good friend since the days I was Area President and he was the Scout Executive in Orlando. We ran together in the mornings during the old Southeast Region meetings. He is also a former Rotarian. Harold Friend

#### ADDRESSES IFSR INTERAMERICAN REGION MEETING

BSA's Chief Scout Executive elect Wayne Brock joined the InterAmerican Region annual general meeting (under the leadership of regional Chair Phil Pfeffer) in Orlando on 1 June. Past IFSR President Harold Friend had invited Wayne to attend and share his vision.

CSE elect Wayne discussed the challenges and opportunities of membership growth in this new Century. Wayne is a former Rotarian but his current position does not allow him to be a member of any one service organization - although he spoke with familiarity of the 4 Way Test, Interact, Rotaract, youth exchange, etc.

With help from Rotary Clubs and other community organizations, we can regenerate the enthusiasm and support for new Scouting and Venturing and Sea Scouting units throughout BSA, he said. CSE Elect Wayne also strongly thanked those present - members from all over the Region including several IFSR Silver Antelope members - for their consistently strong support for Scouting within Rotary and encouraging Scouts and Venturers and Sea Scouts to participate in Rotary programs.

### WorldInfo—News From World Scouting

WorldInfo is another source of Scouting activities and information worldwide which you will find particularly interesting if you are a key member of a Scout organization at a national level, or if you have been elected or appointed to a position in which you serve Scouting at a world or regional level, or you are a key stakeholder or partner for World Scouting. You can find them on the net. Here are a couple of their latest articles in brief. The first one is from Czechoslovakia and the second from Jordan.

#### Skautské století – Generations in dialogue

Youth can be a tremendous source of energy, creativity and values that can shape a better future. This strong belief was the basic foundation for the World Scout Committee to have chosen Youth for Change as one of its 4 key areas of work until 2014. But to benefit from the valuable input from youth demands that there is healthy, open and fruitful dialogue between different generations. A dialogue from which all parts involved may benefit from. This is why it is crucial to create opportunities to put generations in dialogue.

#### Scouting Enhances Healthy Habits in schools

Ahmed came back from school shouting out to his mother and telling her that he has got a certificate of appreciation and was honoured with an award at school. When she looked at the award, she found the fleur-de-lis symbol on it. Although the mother very well knew that this emblem referred to Scouting, she desired to know more about the experiences of her son in winning this award. The young boy told his mother that the Scout group in the school had organised a campaign for increasing awareness of sanitation and especially washing hands before meals to protect us against many diseases. He told his mother that he was now not only very keen himself to wash his hands each time before eating during the breaks at school, and that he has also managed to convince 15 of his school mates to do so. As a result, the Scout group in the school had granted Ahmed this award and the certificate for his valuable contribution in the campaign. The mother was so pleased with this experience of her son that she made a post

## Cliff Dochterman Award

**Editor: we enjoy including pictures and information of folks who are presented this award. Please send them to us when you have them. We will include them when we can.**

## Philmont Training Promoting More Rotary Involvement in Scouting

BSA is putting on a Relationships conference at Philmont (New Mexico mountains) first week in August and Scouting Rotarians from Canada and the US are invited to also come with hands on training in how we can get Rotary Clubs more involved in making the connections grow. Urge you and every interested Rotarian in Canada (and US) to participate. Contact Philmont for information.

## Coming Events
