A Brief History of IFSR

At the Rotary International Convention held in Mexico City in 1991, several Rotarians who were also Scouters met and discussed how to provide an outlet for both interests through a fellowship group within Rotary International. It was felt that because of these dual interests and involvement, there should be many opportunities for past and present Scouters to further the Scouting/Rotary ideals and relationships at local, regional, national, and international levels.

Thus was born the International Fellowship of Scouting Rotarians (IFSR). Numbering over 1,000 members worldwide at the present time, IFSR promotes the Rotary Motto of "Service Above Self". After approval was received from Rotary International, IFSR joined the over 90 different Fellowships and Action Groups sanctioned by Rotary International in which active Rotarians may share their interests and hobbies.

Like original Scouting, the first such group was located in the British Isles (RIBI) and is now throughout the Rotary and Scouting worlds. Canada, Eastern Russia (RI District 5010), the United States, Mexico and the Caribbean were formed into the Interamerican Region. The IFSR is structured along the lines of the World Organization of Scout Movement, which has six distinct regions or areas for administrative purposes - Africa, AsiaPacific, Arabian, European, Urasian, Interamerican.

The IFSR is a group of Rotarians dedicated to promote the Scouting Movement internationally. This Fellowship operates in accordance with Rotary International policy, but is not an agency of, or controlled by Rotary International.

From the beginning of Rotary it has supported Scouting; as Rotary began, Scouting was the Youth program of Rotary and every Rotary Club was expected to sponsor a Cub Pack and Scout Troop. Rotary strongly supports Guiding and Scouting all over the world.

The Five Avenues of Service

We encourage each Rotary Club to structure program & goals to strengthen ties in the community and include the Five Avenues of Service. With a little imagination, these opportunities can aid the Club goals & those of the local Scout/Guide leadership.

CLUB SERVICE

- Secure **CLUB speakers and other programs** from youth and adult members of Scouting. Have club members **volunteer to assist** with Scout projects in their professional and hobby areas of expertise.
- When holding club meetings, conferences, conventions and other events **secure the services of youth leaders to assist as runners**, etc. Especially good for **opening and closing ceremonies**.
- **Seek your friends in Scouting/Guiding as potentials** for membership in your club.
- Create **joint fund raising and service projects**, which will aid both groups.
- **Invite Youth and leaders as guests of your club** to meet and participate in some of your local service projects. Recognize outstanding leaders, both youth and adult.
- **Recognize Youth at Club meetings** when they attain the top rank in their program. Special certificates are available from the International Fellowship of Scouting Rotarians for your use.

Vocational Service

- ◆ **Secure Merit Badge counselors** for the hundreds of topics of interest to youth and the community which are necessary for Scout advancement
- ◆ **Provide a vocational day** at School or other location
- ◆ **Provide scholarships** covering specific areas of study
- ◆ **Plan joint activities**, which will show Rotary to young people and visa-a-versa
- ◆ **Hold a camp** or major Scouting functions giving the young people of your area an insight into how businesses function
- ◆ **Use the 4 Way Test** to explain ideals and purposes of Rotary to Scout groups
- ◆ Use your business to help provide or **help locate summer jobs or part time work**
- ◆ **Allow Scout Leader employees** time off to participate in Scouting events and training (i.e. Wood Badge) and share costs related to these functions
- ◆ **Provide Vocational guidance** to Scout districts, councils, youth and units
- ◆ Assist unit leaders in **providing Rotary members opportunities** to invite Scout members to visit places of business to learn about how 4-Way Test can strengthen community interest and relationships

The International Fellowship of Scouting Rotarians should play a major role to bring additional emphasis to the Scouting – Rotary linkage.
