WORLD SCOUT EMBLEM USAGE

Although the BSA is a member of the World Organization of the Scout Movement (WOSM), BSA members cannot use the World Scout emblem or World Scout banner without consulting the WOSM Scout Brand Manual and, in some cases, without obtaining the appropriate license. Read [World Scout Emblem Usage](#) to be sure you are using these trademarked symbols appropriately. Resources are also available on the [International Department website](#).

INVITING INTERNATIONALS TO YOUR COUNCIL OR CAMP

With the increased interest in hosting international Scouts and leaders at local council camps and high-adventure bases, the International Department would like to provide some helpful recommendations to consider. Please review Recommendations on Inviting Internationals to Your Council or Camp, available at www.scouting.org/wp-content/uploads/2018/07/Inviting-Internationals-to-Camp.pdf. This publication can also be found on the International Department's website at www.scouting.org/international/information-sheets.

COUNCIL INTERNATIONAL EVENT GUIDELINE

If your council is planning to host international Scouts as participants at a local council event, the International Department will work with your event registrar to verify that contingent leaders and International Service Team (IST/staff) members are registered and approved by their own WOSM Scout association to attend your event.

This may seem like an unnecessary step in your event planning, but it can be crucial to your event's success. At a previous large-council event, only 85 percent of the contingent leaders and 78 percent of the IST that applied were approved by their Scout association. Contact the International Department at International@scouting.org to verify the registration and approval of your international Scouts.

INTERNATIONAL RECOGNITION

The International Department manages the requirements for two awards, the International Spirit Award and the International Scouters' Award.

To introduce your Cub Scout, Boy Scout, Venturer, or Scouter to international Scouting, we recommend the International Spirit Award. Earning this award is a great way to gain knowledge about international Scouting while developing appreciation and awareness of different cultures and countries. For the list of requirements and the application, please visit https://filestore.scouting.org/filestore/international/pdf/130-044_WB.pdf.

Bob Oldowski, Northern Star Council's international representative, let us know about a Scout living in Amery, Wisconsin, who visited Thailand this summer to work on earning the International Spirit Award! Read more about the Scout's experience [here](#).

The International Scouters' Award encourages Scouters to broaden their involvement through participation in world Scouting activities. It also recognizes Scouters for their contributions to world Scouting.

For more information and the application, please visit www.scouting.org/international/information-sheets/22-721/.

2018 JOTA AND JOTI

Jamboree-on-the-Air (JOTA) and Jamboree-on-the-Internet (JOTI) are coming up soon! Did you already add JOTA and JOTI to your unit, district, and council calendars? If not, don't forget to mark Oct. 19–21, 2018, as JOTA and JOTI weekend!

Other than an opportunity to meet Scouts from around the world, complete requirements in Cub Scouts, and complete part of the requirements for the International Spirit Award, JOTA and JOTI provide another great way to tie in STEM (science, technology, engineering, and math). JOTA introduces Scouts to the fun, technology, and magic of amateur radio, while you can prepare your Scouts for safe internet use by incorporating the BSA's Cyber Chip training tool, before they participate in JOTI: www.scouting.org/cyberchip.

Does your unit or council want to participate in JOTA but is not in possession of an amateur radio station? Icom America and the Boy Scouts of America have a sponsorship agreement that began in 2012 and now extends through 2018. One aspect of that agreement is that Icom America will provide up to 10 complete amateur radio stations for use by local Scout councils. Stations can be requested for long-term development loan stations and for event loan stations. You can find the details, application, and loan agreement at www.scouting.org/filestore/jota/pdf/AmateurRadioStationLoanProgram.pdf.

Be sure to visit JOTA's webpage, www.scouting.org/jota, and JOTI's webpage, www.scouting.org/joti, to get information on how to participate, download participation certificates, find out where to order this year's patches, and MUCH MORE!

Also, visit <https://podcast.scouting.org/scoutcast.aspx> to hear the BSA's national JOTA and JOTI coordinators share their enthusiasm for these fun programs on September's ScoutCast.

We hope you have lots of fun and success during these exciting events!

JAMCAM 2020- BRAZIL

According to the event website at www.escoteiros.org.br/jamcam2020,

“Youth members of National Scout Organizations who are active members registered with the World Scout Organization can participate in the event. Participants who are between the ages of 11 and 15 (for the Jamboree) and 15 to 18 at the

start of the Camporee are welcome to participate. Patrols will be composed of one Scouter and 9 participants. Adults, over 18 years old, can also participate as members of the International Service Team.”

The JamCam program is based on four fundamental principles:

- Provide experiences that encourage young people to reflect

on their commitment to the future, recognizing the challenges facing the global community

- Motivate for developing concrete actions, act to change the way we live
- Challenge to think differently, to experience new and relevant experiences
- Encourage an inclusive environment where diverse expressions are respected and valued

The BSA plans to send a contingent to the event, but the details regarding our age requirements as well as the cost to attend have yet to be defined. Check out our [BSA Contingent Support](#) page for more information as it becomes available. Submit your interest by sending an email to international@scouting.org. We expect to have the registration system open to apply by fall 2018.

EUROPEAN JAMBOREE (EUROJAM) 2020—POLAND

European Jamboree 2020,
let's meet in Gdańsk!

All Scouts aged between 14 to 18 (Scouts must have been born between the 26th of July 2002 and no later than 2006) are welcome to participate in the European Jamboree 2020. The Jamboree will start with the Opening Ceremony on 27th July 2020 and will last until the Closing Ceremony on 6th August 2020. The Educational Programme will contain the main programme modules, Plaza activities, programme offered in Hubs and Subcamps, the International Day, the Inter-Religious Ceremony, Spiritual Development Zone and many more activities rooted in the life of the European Jamboree camp.

According to the event website at www.ej2020.org/, the Host's main theme is a simple call to ACT!

“Every Scout and Guide possesses potential to become a driver of social change. So, come to the Jamboree to WAKE UP and discover your power! You will interACT with Scouts and Guides of various cultures, various languages and various countries. Use your time at the Jamboree to LOOK AROUND (Global Goals will guide you), to learn through adventures, eye-opening discussions, and inspiring workshops. See where your helping hand is needed. ACT using your new skills and make a change in the society. ACT wisely. ACT decisively.”

Scouts who are at least 18 years old on the first day of the Jamboree are welcome to join the International Service Team (IST). In their vision, the IST Experience is well-planned work, time for rest, personal development through the inspiring programme activities only for adults, and a new concept called “IST Adventure”!

The BSA plans to send a contingent to the event, but the details regarding our age requirements as well as the cost to attend have yet to be defined. Check out our [BSA Contingent Support](#) page for more information as it becomes available. Submit your interest by sending an email to international@scouting.org. We expect to have the registration system open to apply by fall 2018.
