

INTERNATIONAL SCOUTING

Is alive and well in over 215 countries and territories. The World Organization of the Scout Movement has more than 25 million Scouts and leaders in over 141 national Scout organizations.

All IFSR members actively involved in the Fellowship are to be congratulated on the many contributions you are making towards strengthening the ties in your local areas, regions and units. Your continued support through your Rotary Clubs and districts is helping improve the worldwide relationship between Scouting and Rotary.

Closer communications between the various sections helps us assist in keeping all members informed of what is being accomplished throughout the various areas. Photos, news items and other information is needed by your editor for use in the various newsletters and reports we are making to Rotary International. Letters or comments are important.

LIFE MEMBERSHIPS AVAILABLE

Since we announced the Life membership status many are beginning to sign on in this capacity. Some Rotary Clubs are using this as a method of recognition to long time Scouting service.

The cost is \$120 with no lapses or renewals needed during your "Rotary Lifetime". This can be an excellent way for us to maximize our efforts when recruiting new members or securing renewals.

IFSR BOOTH AT ROTARY INTERNATIONAL CONFERENCE IN INDIANAPOLIS

The IFSR will host a booth at the Indianapolis convention and is seeking members from any IFSR area to assist in "manning" it from Sunday, June 14 to Thursday, June 17. Those willing to spend an hour or two with local Scouts and other members please let BUD ALLISON know. He and Dr. H. Friend are coordinating the set-up and other details with the Scout Executive, Mr. Scott Claybough and the Rotary Friendship House committee.

If you have material that might be displayed, bring it along and we will try to work it into the booth along with materials they will be bringing. We will have material from the National Council, BSA as well. See you in Indy in June!

CHIEF SCOUT EXECUTIVE VISITS

Chief Scout Executive of the Boy Scouts of America, Mr. Jere Radcliffe (C) recently met with our International Secretary, Dr. Harold Friend (R) and our International Treasurer, Mr. Bill Fairman (L). This meeting which was held in Florida, gave two of our key leaders an opportunity to discuss ways in which IFSR and Scouting could be more cooperative, as well as to bring Mr. Radcliffe up to date regarding specific projects underway in IFSR. Mr. Radcliffe reemphasized his support for IFSR and indicated that the BSA would be seeking cooperation at all levels, especially as it deals with the relationships between Scouting and Rotary.

Dr. Friend presented him with one of our "new" membership pins. Mr. Radcliffe is a member of IFSR.

UPDATE OF ROTARY AND SCOUTING BROCHURE UNDERWAY

One of the projects recently begun at the National Office of the Boy Scout of America is an updating of the brochure which had been used by Rotary International and the BSA to further relationships between the two groups.

Mr. Donald Oblander, Associate Director of the Relationships Division and a member of IFSR has the responsibility for coordinating the civic and community groups has begun to revise this publication which should be available for distribution by mid - summer.

This pamphlet will be especially useful with Rotary clubs not now using Scouting as a part of their youth programs. It is designed to encourage Rotary club use of the Scouting program.

ITEMS OF INTEREST AT ROTARY CONFERENCE

It has been suggested that for the meeting in Indy, those planning to attend bring some patches to exchange. This will give others a chance to see what your Scouts earn plus give collectors a chance to share ideas. Check at the booth for information as to where and when to make these exchanges possible.

IFSR "ANNUAL MEETING". Time and place will be posted at the booth. **TWO spots are up for election this year: International Secretary and Inter. Treasurer.** Section meetings will be held, also. Times and places will be posted.

If you have any comments or ideas regarding the booth, please contact Bud at Email VDLY48A@Prodigy.com

WORLD SCOUTING IS ON THE WEB

For all of those who are looking for websites, etc., the World Scout Bureau (WOSM) has a website. It is certainly worth exploring for all the latest. **Use your Web browser and go to:**

INTERNATIONAL SERVICES

International Letter of Introduction is a document of the WOSM identifying Scouts and leaders who travel abroad, individually or in groups, as registered members of a recognized Scouting Association. Check with your own National Headquarters for information regarding securing such a document.

International training seminars and conferences are conducted periodically at Philmont Scout Ranch in New Mexico, Gilwell Park, B-P House, Kandersteg and at other locations throughout the Scouting world. Check with your own National Hqs for details.

International Camp Staff program is operated by BSA to provide Scouters from other nations, ages 18 through 30, to serve as International camp counselors in BSA camps and day camps. Applications are available from International Division, BSA National Office 1325 West Walnut Hill lane, PO Box 152079, Irving, TX 75015-2097 .

European Camp Staff program, similar to BSA program but is operated by the European Region of the WOSM. BSA members can secure information from International Division. Others contact your National HQs. Service would be in European camps.

Jamboree-on-the-Air (JOTA) is a worldwide annual Scouting ham radio event sponsored by the WOSM the third week of October. Annual participation certificates and patches are available. Contact local "Ham" operators to seek cooperation of setting up stations for this and encourage local Rotarians and Scouters to become involved.

World Brotherhood Exchange offers Scout Units or local councils an opportunity to provide home hospitality and program activities for a group of Scouts from another country, followed by a group of Scouts from the host country to reciprocate the visit for home hospitality by Scouting families in the other country. International Divisions can help establish the foreign contact and provide resource material for planning such an event.

All international events should be adequately planned in order for the participants to have the greatest experience possible.
Check your Association's regulations regarding such events.

UPCOMING INTERNATIONAL EVENTS

1998-1999-2000

Gleaned from the World Scout Organization Inter-net (3/98)

Editors note: Check with your National Headquarters for details and questions

1998 SCHEDULE

March

45th World JOTA - Oct 19-20

Jamboree on the Internet - Oct 19-20

20th World Scout Jamboree - Thailand

International Peace Day - Sept 2003

WHEEL & WOGGLE

Excerpts from the IFSR-RIBI Winter Edition # 6

ROTARY CLUB OF STOURPORT

A new Scout Headquarters building for the Mid Severn Sea Scout Group in Worcestershire was opened in September by the Deputy Chief Constable of West Mercia.

Rotarian, Harry Morris was appointed as President of the Rotary club of Stourport and immediately challenged the Club to make possible a new Headquarters. Three years and L 56, 000 later the project was completed.

Chief Scout, George Purdy, was unable to be present when the building was dedicated, but he did send his congratulations and praise for the efforts of all involved.

(Ed. Note: This type of project is not possible without the help of many, many dedicated people and continues to show the support that Scouting has in every area of the world).

HELP REQUESTED

The Rotary Club of St. Alban's Priory (District 1260) is helping with a Youth Camp to be held in Herts/Beds in July. Finance for the Camp (about L 7000) has already been promised from the Rotary Club. The Club is seeking to find a way to bring to the UK four Bulgarian Scouts who would in no other way have the chance to travel.

There may be two ways in which (RIBI) IFSR members could be helpful. One would be to make a personal contribution - if so, please send cheques to Fellowship Treasurer, Rtn. Keith Edwards, 19 Chestnut Drive, Erdington, Birmingham B24 0DN, made payable to the Rotary Scout Fellowship. Early contributions will be especially welcomed in view of the date of the camp and the need to be able to tell the Bulgarian Scouts they can participate.

The other thought is there may be an International event in your District. Would Rotary help be of value? *(Ed. Note: If you don't ask, they might not know they are needed).*

HAPPY NEW YEAR FROM THE CHAIRMAN

RIBI Chairman, Tom Cryer, gave all members his greetings and a note of encouragement for what the year 1998 has in store. He regrets not having been able to do more for IFSR during the past several months due to pressing family problems, which are or have been resolved.

The fellowship is growing and a strong Executive committee has emerged. In 1998, it will be recommended that the office of *Chairman Nominee* be established. This will make it possible for someone to understudy the Chairman and to carry on these duties as with any Rotary position. It is, also, being proposed that the Chairman's term be limited to three years. To avoid all officers retiring at the same time, it is suggested that the Treasurer and Secretary be eligible to serve for a term of five years.

Any member of RIBI IFSR can succeed to these offices and nomination forms will be sent out prior to the AGM.

RIBI IFSR membership has passed the 100 mark and still climbing with several new members joining during the summer and fall. *(Ed. note: Tom has done an outstanding job as the Chairman and his leadership has led RIBI IFSR to a very prominent position in Rotary Fellowship circles).*

CONTACTS REQUESTED

RIBI has been asked to assist in the organization of IFSR groups in Europe and Africa, especially in South Africa. Should any member - anywhere in the world of IFSR - have contacts in these areas through Scouting or Rotary please contact TOM CRYER with names and addresses in order for IFSR to become a viable and important part of the extension of Rotary and Scouting. (A faster means of establishing IFSR would be by direct contacts and encouraging them to become involved!). Tom's address, especially for those in North America, is: 86 Cottage Lane, Marlbrook, Bromsgrove B60 1DT, UK, Tel: 01694722473.

Your assistance in this can help assure our youth continue to share the impact that cooperative efforts have on our communities and our quality of life.

A.G.M. MEETING

The annual general meeting of the RIBI-IFSR group will be held in conjunction with the Rotary in the British Isles Conference, which will be held in Brighton from 16th to 19th April.

The AGM will take place at 4 PM (subject to the Conference timetable) at the display stand in the House of Friendship on Saturday 18th April 98. All members are welcome. **PLAN NOW TO JOIN US!**

FRIENDLY REMINDER

Life membership available in RIBI is at ten times the annual subscription or 75 L. Send to RIBI Secretary.

SUBSCRIPTIONS FOR 1998-99 RENEWALS

RIBI members reminded that Subscriptions for 1998-99 are due by 1st July 1998. (*This includes all other members of IFSR as well*). Members joining after March are covered for 98-99 and need not take any other action.

(*Ed. Note: We wish to thank the editor of Wheel and Woggle and trust our feeble efforts to summarize have done justice to all your efforts. See you in Indianapolis in June!*)

CONFERENCE HELD IN GUADALAJARA

From the 22nd to 28th of March the XX Conferencia Scout Interamericana was held in Guadalajara, Mexico. It brought together Scout leaders from over 30 Associations to conduct business, enjoy the sights and sounds of Mexico and to develop closer ties among Scouters and youth leaders of North, Central, and South America as well as the Caribbean. There were representatives from Norway, Denmark, Spain, South Africa, France, the World Bureau, and the European Office as well.

The representatives of each country were enthusiastic in their willingness to share goals and past achievements. The 140 delegates and observers spent many productive hours reviewing programs and making plans to meet the challenges, which lie ahead as we move into a new century. Some of the topics discussed were: "Values Scouting offers to young people", "Contemporary challenges to Scout values"; "Scouting's mission;" "Scouting as a solution to conflict"; "Relaunching Strategic Planning"; "Factors which promote the growth of the Scout Movement"; "Internal obstacles to growth of the Scout Movement", "External obstacles to growth of the Scout Movement" and several resolutions to help each of the associations in carrying out their own programs at home.

One of the many highlights was the report of the YOUTH FORUM, which held their meeting prior to the conference. To see the enthusiasm, and the tremendous support they will bring to each association was an inspiration to all that were privileged to meet and talk to the FORUM delegates. **SCOUTING IS IN GOOD HANDS FOR THE FUTURE!** The interaction of these youth with the members of the delegations was exciting and well worth the time spent talking and getting acquainted with our youth leaders! Should you have occasion to meet some of them at home, spend some time getting acquainted. You will be amazed, inspired and fully pleased with the high caliber of young adults involved on our campuses and in Scouting!

BRONZE WOLF AWARDED

THE BRONZE WOLF (World Award) was presented to Scouter GEOFF WHEATLEY of Canada for his service to International Scouting. Geoff has served in many capacities for Scouting and our "World Brotherhood". This recognition is well deserved. Congratulations GEOFF for all you do, THANKS!

COLUMBIA SCOUTING FIGHTS BACK!

One of the most inspirational topics on the agenda was the report of the Scouts of Columbia in facing the internal struggle for peace in a war-torn country.

Scout leaders took the initiative to organize the young people into Scout units which began to use "peaceful" approaches of groups (gangs organized into patrols and given a set of standards (Scout Oath/Promise and Law) which in turn changed attitudes and changed the involvement of young people into productive and peaceful lifestyles that had not been known in quite sometime.

Areas where the Scouting program has been successful are now setting examples for other parts of the country and there is consideration being given to present the **Nobel Peace Prize** to them for their gigantic effort in combating the conditions which were common throughout their country prior to this effort.

The Scouts of Columbia are to be congratulated and supported by whatever means we can render to see that their efforts are not in vain!

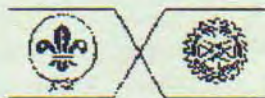

GUATEMALA SEEKS HELP

National leaders of Guatemala are seeking help in establishing a contact with a Rotary Club in another country in order to establish a ROTARY "Matching Grants" Program. They have some ideas already underway, but need outside the country sources to get started. If your club or one you know might be interested, please contact:

Lic. Carlos Enrique Rivera O. President, National Assoc. 9a. calle 0-6, zona 1 Guatemala, C.A Tel: 232-9605 or 232-5355

**FIVE UNACCEPTABLES**

Relating Traditional Values of Scouting to Specific Needs of the Community

The Boy Scouts of America has identified five areas of Community needs that have become a matter of emphasis within its program features. Through Scouting's traditional values, members are given a basis for helping combat these in their communities.

Since most of us are faced with them to some extent, it is felt that keeping them in front of us may help us continue to be aware of what we can do to help overcome the hazards faced by our members and other members.

CHILD ABUSE: Extensive resources are available to help educate families and youth about child abuse - how to avoid it, how to identify it, and how to deal with it. In addition to specifically Scouting oriented materials, we make available to the community videotapes for adults, elementary age boys, and middle or intermediate school age boys. The service is free. Tapes may be duplicated.

DRUG ABUSE : Our "Drugs: A deadly game" campaign includes a student booklet, teacher's guide, full-color charts showing the effects of drugs on the human body, and an anti-drug abuse video. No rental on the tapes. Tapes may be duplicated. A small charge for printed material.

ILLITERACY: The Boy Scouts of America nurtures and promotes literacy. The Cub Scout achievement books are designed for progressive reading level so that a parent can help a child progress. The Boy Scout Handbook remains among the best selling publications. Millions of Scouts and their families (parents and siblings, both younger and older) are developing reading skills through Scouting publications and literature. "Boy's Life Magazine is an example of wholesome literature geared to improving young people's ability to read. One local council is using it in a pilot program for teaching literacy in urban Houston. Materials are made available to the schools.

UNEMPLOYMENT: The merit badge program of the Boy Scouts of America has long been recognized as providing an unparalleled introduction to careers in professions, trades, and business. Career Awareness Exploring is an in-school program for high school-age youth (boys and girls) which focuses on exposing young people to adult careers.

HUNGER: Boy Scouts of America has conducted Scouting for Food Good Turns benefiting local food banks or pantries annually since 1988. It is recognized as the largest and most successful food drive in the history of the United States.

All of these should make excellent projects that IFSR and Rotary Clubs can work together on for the good of any community. Tailor the projects to your specific situations and then record via video, still photos and news articles for use in the ROTARIAN Magazine or in IFSR Newsletters.

THIS 'N THAT

Have just received from Nova Scotia some photographs of their Rotary club working on a service project at the Scout Camp...thanks!

NOW IS A GREAT TIME TO PLAN THAT SUMMER PROJECT WITH YOUR SCOUTING PARTNERS! HELP A SCOUT ATTEND CAMP!

world scouting

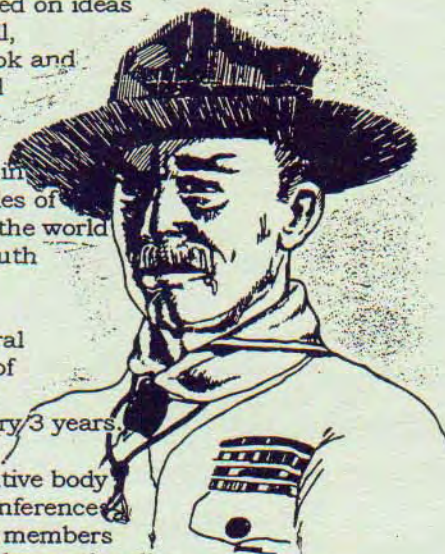

Scouting began in England in 1907, based on ideas of founder, Sir Robert S. S. Baden-Powell, and his book *Scouting for Boys*. The book and program proved to have universal appeal for boys and quickly spread worldwide.

While some aspects of the program vary in different parts of the world, the principles of the Scout Promise and Scout Law unite the world Brotherhood of Scouting and prepare youth for adult life in today's world.

The World Scout Conference is the general assembly of Scouting and is composed of six delegates from each of the member Associations. The Conference meets every 3 years.

The World Scout Committee is the executive body of the Conference and represents the Conference between regular meetings. There are 12 members on the Committee, elected without regard to nationality.

The World Bureau is the secretariat that carries out the instructions of the World Scout conference and the World Scout Committee. It is administered by the Secretary General and a small staff, with offices in Geneva, Switzerland. There are six regions: Africa, Arab, Asia-Pacific, Eurasia, European and Interamerican.

world support

Baden-Powell World Fellowship - a major program of the World Scout Foundation to establish an endowment fund for ongoing support of the WOSM and the United States Foundation for International Scouting. Membership is open to individuals throughout the world. Each member receives a special medallion, certificate and lapel pin. Details can be secured from International Division, BSA

Order of the Condor - an endowment recognition program of the Interamerican Scout foundation for individuals. Income from the fund is used to aid work of the Interamerican Region of WOSM. The region serves member Scout Associations in all nations of the western hemisphere.

World Friendship Fund (BSA) - offers a practical Good Turn opportunity to BSA members. Cash contributions are used to assist Scouting through the WOSM and through national Scout associations in developing countries. Tax deductible contributions can be from individuals, units, camp, training groups and others interested in joining the ongoing efforts of the Fund. Units are urged to participate as a unique annual service to benefit brother Scouts around the world.

overseas scout facilities

International accommodations for Scouts are available in Switzerland and England. All offer 1-day visits also. All require advance reservations. Contact your International Division for details.

Kandersteg, Switzerland - in the Alps and operated by the European Region. Dormitory and campsites plus mountain climbing and ski programs.

Baden-Powell House in London.

Operated by the Scout Association of the UK. Lodging and meals.

Gilwell Park, near London. Operated by the Scout Association. Camping, indoor and outdoor lodging and activity areas.

Brownsea Island, Poole Harbour, Dorset, England, offers limited indoor and campsite facilities. It is operated by the National Trust.

CANADA SECTION

As this area's membership grows, we will be organizing a section to cover the "Land of the Maple leaf".

We will be holding a general discussion regarding this development at the meeting in Indianapolis.

Any ideas regarding leadership, etc. will be welcomed.

US (BSA) SECTION

Presentations of the **Eagle Certificate** is moving ahead and those who desire to make use of this PR "tool" are urged to get their supply as soon as possible. Contact NA Section Chairman, Bud Allison.
