d. 22nd World Jamboree Sweden Exhibit Booth 27 Jul - 8 Aug. **Dag and Christine Ivarsson** has done an excellent job of arranging for our IFSR Exhibit there and we have several IFSR members on the serving on the International Service Team (IST) who will also help. **Goran Hagerdal**, Rotarian and Swedish Scouts leader for the Jamboree, is helping set up one or two meetings on site for Rotarian make up. **PRIP Carl Wilhelm Stenhammar** has agreed to try to be at a meeting with us as well. BDT

e. f. WOSM Consultative Status exploration. The President reported on a planned meeting to be held next week between your President and the Secretary General of the World Organization of Scout Movements, Luc Pannisau as well as World Scout Committee Chair Simon Rhee regarding a more formal linkage between IFSR and WOSM to avoid duplication of the debacle in Curitiba, Brazil, this year where we were invited to participate with an Exhibit 0but at the last minute WOSM decided to withdraw the invitation at substantial expense to us. It appears there is simply new WOSM leadership that is unfamiliar with our significant past historic partnership. BDT

g. Membership recruiting - In addition to those joining IFSR at this Convention, we need members to set up similar IFSR Exhibits around the world at District Conferences, IFSR Zone Institutes (a list of those pending was distributed to participants), PETS and GETS training programs, national and international Guiding and Scouting events - members are urged to contact your President or our Executive Secretary to volunteer to help - URGENTLY NEEDED! 2011 World Jamboree in Sweden Continued

To commemorate the 22nd World Scout Jamboree in Sweden, a California redwood seedling was given by IFSR to the Scouts of the area to plant. Some day when Scouts or Rotarians returns to that area they will be able to stand in the shade of that California Redwood. Here are pictures of local Scouters including IFSR new member Bjorn Bonnestig, planting a tree near the Scout hut in Hassleholm, Sweden! It will be protected from scavenging rabbits with a wire mesh screen until it bursts forth, strong enough to take care of itself!

Fire at Slave Lake City, Alberta, Canada

By Ross Hallett

In May, 2011 a wildfire destroyed about one fourth of the homes and the library in this small city 250 Km north of Edmonton. Slave Lake city is located on the southeast corner of Slave Lake, a good size body of water.

The seventeen member Slave Lake Rotary Club are leaders in the community. They are playing a large role in the recovery process from the catastrophe. This club sponsors the local Boy Scout Group. An additional effect of the fire was the destruction of the Boy Scout meeting hall and all of their supplies. Two of the leaders lost their homes and contents in the fire. The leaders are still trying to find a place to live and restore their belongings.

A contingent of Edmonton Rotarians (14) travelled to Slave Lake Aug 8 & 9 to assist in the unpacking and sorting of the numerous donations and to attend the Slave Lake Rotary Club weekly meeting. Part of the cash donations received will be used to rebuild the youth centre where the Scouts met. The Club is concerned that the leaders will not be available to run the Scouting programs. Repairing and re-organizing the community is taking a large commitment of everybody. It is estimated that it will take 2 or 3 years to rebuild. The Scouting representative from the Slave Lake Rotary Club was pleased with the concept of IFSR and will be sending in a membership application.
