ROTARY CLUBS and "SCOUT GROUPS" will both receive Recognition Certificates and each individual Scouting Participant will receive a ShelterBox Karibiner.

SCOUTING's FOUNDER- ROBERT BADEN-POWELL's **JAM ROLL** Rolls Royce was a major attraction at Birmingham 2009. With IFSR double stand and JAM ROLL to staff, the two locations put greater pressure on the already stretched IFSR team. This included Ken Scott, David Raymer, Christine and David Judge and the two guys pictured with JAMROLL, Colin Jones and Michael Francis who took most of the pressure and did a sterling job. Thanks also to B-P JamRoll Trust, particularly Trustee Steve Hilditch for loan, delivery and collection of JAMROLL. More in Wheel & Woggle.

At Scouting's Headquarters in The White House at GILWELL PARK on 16th June 2009 IFSR held the 2009 AGM. We welcomed from USA, then current IFSR World President BUD ALLISON and his wife Jeanne and, now 2009-10 IFSR World President BRIAN THIESSEN and his wife Rtn Carolyn. More info in Wheel & Woggle

IFSR FOUNDER MEMBER BECOMES ROTARY INTERNATIONAL PRESIDENT

We are very proud that IFSR Life Member John Kenny became R I President on 1st July 2009.

John is the first Scot to hold this high office and is a past IFSR Chairman/President.

John and our IFSRinRIBI Chairman David Judge first met when they were both Jaycees (Junior Chamber) officers in the 1960's and have remained good friends ever since.

John regularly acknowledges the value of his early Scouting training and the benefits it has given throughout his life. He is keen to see IFSR grow and challenges every IFSR member to bring in a new IFSR member during this Rotary Year, possibly even as a New Rotarian.

PLEASE RESPOND TO THIS CHALLENGE

CLIFF DOCHTERMAN PERSONALLY PRESENTS C D AWARD TO CHRISTINE JUDGE

At RI Birmingham Convention 2009 Cliff Dochterman and his wife Mary Elena left a luncheon as soon as he had spoken to ensure they arrived (by buggies) at IFSR AGM.

Cliff wanted to personally present a Cliff Dochterman Award to Christine Judge, which was a surprise to her and even David. Christine said she was doubly honoured, firstly to receive a CD Award and secondly to have it personally presented by Cliff.

Cliff, who is a longtime IFSR member, was installed at AGM as an IFSR Honorary Lifetime Member.
